

# DOMINO

## TALENTI

Available in a range of fabrics & finishes

With the collection Domino, Marco Acerbis continues to mix the new design trends. By alternating materials and shapes, the Italian designer highlights, once again, how the indoor and outdoor are strongly connected. Elegance and beauty. Freshness and grace.

Domino is the true consecration of craftsmanship that becomes art with a particular care for details. From the use of wood to its interlayer with aluminium and fabrics, all in harmony with a product that has nothing more to do with the previous outdoor furniture.
