

# AGON SOFA

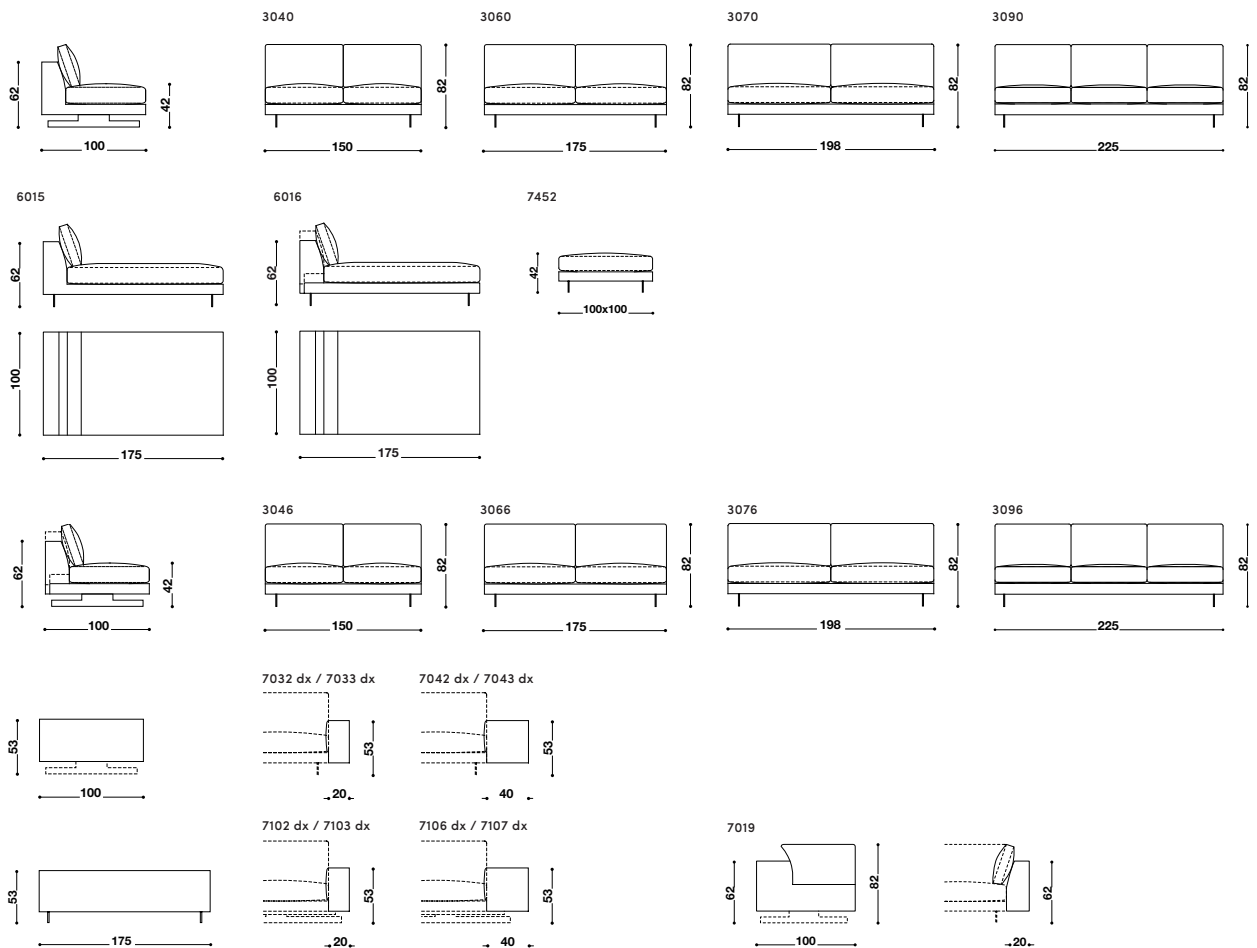

## DÉSIRÉE

Available in a range of configurations & finishes

A luxurious sofa for everyone who particularly appreciates comfort. The special construction of the backrest allows you to raise it at any time by 11 cm, adjusting to the position of the back and head. Practical armrests come in two heights and widths. Distinguished by a very low profile. Its subtle line reminds you that it is an exclusive piece of furniture.

## DÉSIRÉE

Available in a range of configurations & finishes

A sofa with a light and elegant appeal and soft seats that look as if they are suspended in mid-air. The soft padding and the suspended seats supported by an exclusive, concealed aluminium frame give Arlon a decidedly refined and airy appeal. Freedom of arrangement and streamlined design for Arlon featuring original, slender armrests supporting soft, inviting cushions.
