

# ENDOR SOFA

## DÉSIRÉE

Available in a range of configurations & finishes

Large, upholstered, islands suspended above the floor on wooden feet that are arranged in various positions, inclinations and colours that bring to mind forest expanses. The backrest and the back cushion can be positioned as desired, to achieve the ideal degree of comfort for any type of relaxation. The materials such as wood, metal, ecological cotton and vegetable-based polyurethane are all eco-sustainable.
