

ARTIS SOFA

DITRE ITALIA

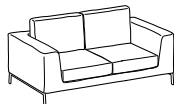

Available in a range of configurations & finishes

A sofa with elegant lines highlighted by the special shape of the armrests. There are many customisation options, starting from three feet versions: a discreet and subtle L-shaped metal profile, an informal, bridge-shaped version and, last but not least, a framework that runs along the whole edge of the sofa. Take your pick from these three different personalities to feel at home in your own house.
