Superb comfort, and gorgeous curves, the Loman will add glamour to a large room. It is available with upholstery in entirely removable fabric or with removable leather/eco-leather cushions, with non-removable covers for the structure. The rear support for the backs can also be customised in fabric, eco-leather or leather. Metal accessories make it complete: bookshelves, tops and small tables are available in the same lacquer finishes as the low unit/feet for a coordinated composition.
